You may request an adjustment of the contract rent for your Section 8 assisted unit. The U.S. Department of Housing and Urban Development requires that adjustment requests must be in writing and received at least 60 days prior to the anniversary of the HAP contract.

Rent increases in the Section 8 Voucher program are the responsibility of the tenant. If we find the rent reasonable and affordable, we may approve an increase.

If you wish to request an adjustment, please complete the section below and return it to us 60 days before rent increase is effective.
